How about you?*

## February is “**Love your Library**” month!

Come to the library and fill out a valentine to the library.

And then guess how many kisses there are in the Jar of Kisses!

Closest one without going over wins the entire jar of Hershey Kisses!

**Starts February 9 through February 28, 2017.**

One guess per person. We will contact the winner by closing on Saturday, March 4th. If the winner cannot be reached within one week the next person who guessed closest wins. In the event of more than one correct answer, we will place those entries in a jar and pull out the winner.
